While it's likely and occasionally even super easy, it's not the best solution. If they will use that ability to pass tests at school, could they be cheating. One final thing to mention will probably be very important to some people and only a passing consideration to others. One great reason to watch movies on the internet is that, unlike a show rental store, online movie services often provide a free trial run. When the download is complete you can check it is working at You - Tube or Catch up TV while using the Dolphin browser.
