Hetzel added, 'The question becomes, and will also be really interesting to view, 'We've moved people far from [live] TV to video on demand. If they normally use that capacity to pass tests in school, could they be cheating. Business consulting could be a very lucrative income stream. One great reason to observe movies on the web is that, unlike a show rental store, online movie services often give you a free trial run. The level of things you can do on there is endless.
