Hetzel added, "The question becomes, and this will be really interesting to look at, 'We've moved people faraway from [live] TV to video on demand. If they use that capability to pass tests in college, is it cheating. The most available internet TV channels include some with the rarest programs that include un censored content, although there is also a large amount of other family TV shows to look at with the family. One great reason to look at movies online is that, unlike a movie rental store, online movie services often give you a free trial run. When the download is complete you are able to check that it's working by going to You - Tube or Catch up TV using the Dolphin browser.
