Rentrak's Livek also noted that during the past five years, the entertainment VOD viewing has 'doubled, not only with transactions ' but in addition with time spent. Schoenberg too went on to state: "It is simply the start, across the further 4 years movie viewers will practice the actual features of video links. I explored how I can use my skills in ways that people would readily pay. Consult the documentation that was included with your equipment or navigate to the manufacturer's website or the Netflix website for instructions regarding how to set up Netflix on your home theater device. You can even get online watching movies while you are sitting in a company partner's office expecting your important meeting to start.
