While it's likely and occasionally even quite simple, it's not the best solution. If they normally use that power to pass tests in school, could they be cheating. It's a quick 18 megabyte download that installs a neighborhood copy from the Netflix software, then you can certainly start watching your movies. This is one in the best apps for Android movies you'll be able to find. When the download is complete you are able to check that it's working by going to You - Tube or Catch up TV while using the Dolphin browser.
