While it's likely and occasionally even very easy, it isn't really the best solution. You will also have to consider that broadband speeds will always be impacted by peak periods during the evenings when other people are trying to get into the internet and providers artificially limit connections to restore fair on all customers. It's an instant 18 megabyte download that installs a nearby copy of the Netflix software, then you can start watching your movies. This small device can connect to your home network, either with a wired or wireless connection. Guaranteed safe and reliable- Online movies are safe to observe.
