When you register you will view your movies which have been purchased. It does not matter if you are searching for good quality films like divx or regular flash movies that streams to a windows media player. I explored how I would use my skills in manners that people would readily pay.

Consult the documentation that was included with your equipment or navigate to the manufacturer's website or even the Netflix website for instructions on the way to set up Netflix on your home theater device. If you do not, you need to download one of the most up to date version of Adobe flash or an alternative by visiting the website.
