I'd state they're a last holiday resort if any holiday resort at all. Movie Stream is available by searching the Cydia app. This can be a site you shouldn't miss visiting since it provides hours of vintage TV viewing pleasure. Consult the documentation that came with your equipment or see a manufacturer's website or Netflix website for instructions on how to set up Netflix on your own home theater device. You may also get online and observe movies as long as you're sitting in a small business partner's office waiting for your important meeting to start.
