I'd state they're a last holiday resort if any holiday resort at all. It is irrelevant if you are searching for excellent films for example divx or regular flash movies that streams to your windows media player. Heres a short video overview of using Play - On along with your Roku box. Consult the documentation that included your equipment or visit the manufacturer's website or perhaps the Netflix website for instructions on how to set up Netflix on your home theater device. These are some from the more general problems gone through by South Africans.
