On surface of that, you can find other media files inside their library including music, games, and thus on. It would be a good luck of Net - Flix and almost bad luck of Blockbuster which it became bankrupt and lost its worth and business operations on the globe. You can watch action, thrillers, suspense, sci-fi, animated, horror movies etc. Also, if you are looking to see relatives films, be careful as many sites offer porn. Using pc TV software to watch live fox TV around the laptop can be very cheap when compared with watching cable and paying over \$90 a month in subscription fees.
