They said these were an international company and anyone in the world could join. It doesn't matter if you're searching for top quality films including divx or regular flash movies that streams to some windows media player. I explored how I would use my skills in such a way that people would readily pay. Consult the documentation that included your equipment or see a manufacturer's website or perhaps the Netflix website for instructions on the way to set up Netflix on your own home theater device. These are some with the more general problems gone through by South Africans.
