Hetzel added, "The question becomes, and this will be really interesting to observe, 'We've moved people away from [live] TV to video on demand. If they will use that capacity to pass tests in class, could they be cheating. It's a quick 18 megabyte download that installs a neighborhood copy from the Netflix software, then you can definitely start watching your movies. This small device can connect for your home network, either with a wired or wireless connection. You won't even have to go for the movie theatres and spend some money when you spend a bit money to have Wi - Max technology connecting you for the Internet all the time and in all places.
