Even with the best product offering in the market, if the people do not realize that the product exists, the product will just end up inside the trash bin. However, that fear will probably decrease over time, in the same way people adjusted to presenting email instead of regular mail or making payments online rather than writing checks. They could spend this all money plus they still don't own the movie yet. Also, if you're looking to a family event films, be cautious as many sites offer porn. Therapists can productize their best expertise and provide information products to profit others.
