I'd state they're a last holiday resort if any holiday resort at all. It does not matter if you're searching for good quality films such as divx or regular flash movies that streams to some windows media player. Heres a short video introduction to using Play - On with your Roku box. Consult the documentation that included your equipment or navigate to the manufacturer's website or the Netflix website for instructions on the way to set up Netflix on your home theater device. These are some from the more general problems felt by South Africans.
