The best advantage is always that, it can be all-free and is accessible at any time and from any venue. Your HDTV have to have corresponding inputs if you wish to connect your computer using one of the formats. It's user friendly, there's a wide variety of content and fast buffer speeds. This is really a program that could add your movies to your queue, resume paused downloads and make track of which movies you have decided and taken care of. On Mega players you'll to be able to view 72 minutes or less prior to the player stop and require that you wait almost 1 hour to resume watching.
