Hetzel added, 'The question becomes, and it'll be really interesting to observe, 'We've moved people away from [live] TV to video on demand. Why can you pay that money white you can enjoy tv movies online all free. One final thing to mention will probably be very important to many people and just a passing shown to others. There can also be software packages that will enable your pc to act as being a TV set. You won't even have to go to the movie theatres and spend cash when you spend somewhat money to have Wi - Max technology connecting you for the Internet constantly and in all places.
