They said these folks were an international company and anyone in the world could join. It is irrelevant if you happen to be searching for high quality films such as divx or regular flash movies that streams with a windows media player. Heres a short video overview of using Play - On using your Roku box. Consult the documentation that included your equipment or navigate to the manufacturer's website or even the Netflix website for instructions concerning how to set up Netflix on your home theater device. You may even get online and view movies if you are sitting in a company partner's office waiting for your important meeting to start.
