I'd state they're a last holiday resort if any holiday resort at all. It is irrelevant if you happen to be searching for top quality films for example divx or regular flash movies that streams to a windows media player. I explored how I could use my skills in ways that people would readily pay. The only stipulation was that you simply had to offer the disc within the drive to try out movies. These are some from the more general problems gone through by South Africans.
