Hetzel added, "The question becomes, and it will be really interesting to view, 'We've moved people away from [live] TV to video on demand. Why can you pay those funds white you can enjoy tv movies online all free. It's a simple 18 megabyte download that installs a neighborhood copy from the Netflix software, then you can start watching your movies. One great reason to view movies on the web is that, unlike a movie rental store, online movie services often give you a free trial run. When the download is complete you can check that it must be working at You - Tube or Catch up TV with all the Dolphin browser.
