Hetzel added, 'The question becomes, and this will be really interesting to look at, 'We've moved people from [live] TV to video on demand. If they use that power to pass tests in college, are they cheating. It's a quick 18 megabyte download that installs a nearby copy of the Netflix software, then you can certainly start watching your movies. One great reason to look at movies online is that, unlike a show rental store, online movie services often give a free trial run. You won't even have to go for the movie theatres and spend some money when you spend a bit money to acquire Wi-Max technology connecting you for the Internet all the time and in all places.
