Hetzel added, "The question becomes, and it'll be really interesting to observe, 'We've moved people faraway from [live] TV to video on demand. If they'll use that ability to pass tests in class, are they cheating. One last item to mention is going to be very important to some people simply a passing thought to others. One great reason to observe movies on the web is that, unlike a motion picture rental store, online movie services often offer a free trial run. The quantity of things you can do on the website is endless.
