Downloading the Flash Player and Dolphin browser as detailed above also need to enable the You - Tube downloader to operate properly. If they normally use that ability to pass tests in class, are they cheating. One last item to mention will be very important for some people and just a passing consideration to others. For any frequent Amazon user, the choice to join Amazon Prime could not be easier to make. When the download is complete you can check it is working by going to You - Tube or Catch up TV using the Dolphin browser.
