Hetzel added, "The question becomes, and this will be really interesting to view, 'We've moved people away from [live] TV to video on demand. Why would you pay that cash while you can watch tv movies online all free. One final thing to mention is going to be very important with a people simply a passing consideration to others. One great reason to view movies on the internet is that, unlike a show rental store, online movie services often offer a free trial run. When the download is complete you can check that it's working on You - Tube or Catch up TV while using Dolphin browser."
