Hetzel added, "The question becomes, and it will be really interesting to look at, 'We've moved people faraway from [live] TV to video on demand. If they use that ability to pass tests in class, are they cheating. One last thing to mention will probably be very important to some people simply a passing shown to others. One great reason to observe movies on the web is that, unlike a motion picture rental store, online movie services often give a free trial run. Guaranteed safe and reliable- Online movies are safe to observe.
