Rentrak's Livek also noted that before five years, the entertainment VOD viewing has 'doubled, not simply with transactions ' but also with time spent. We get you prepared for the growth curve you need to take on. Heres a shorter video summary of using Play - On together with your Roku box. Well you'll find, but there are also some big duds too. You can also get online and view movies if you are sitting in an enterprise partner's office looking forward to your important meeting to start.
