While it's likely and occasionally even quite simple, it isn't really the best solution. If they use that capability to pass tests in college, could they be cheating. These days it is all totally available online, you can watch free movies online online. One great reason to observe movies online is that, unlike a motion picture rental store, online movie services often provide a free trial run. When the download is complete you can check that it is working by visiting You - Tube or Catch up TV using the Dolphin browser.
