They said these were an international company and anyone on earth could join. And if you're a Scooby Doo fan, you can also find plenty of Scooby Doo i - Phone apps that enable you to stream online or watch offline. Heres a short video introduction to using Play - On together with your Roku box. Consult the documentation that had your equipment or see a manufacturer's website or the Netflix website for instructions on the way to set up Netflix on your own home theater device. If you do not, you need to download essentially the most up to date version of Adobe flash or perhaps an alternative by looking at the website.
