Hetzel added, "The question becomes, and this will be really interesting to view, 'We've moved people faraway from [live] TV to video on demand. If they use that ability to pass tests at school, is it cheating. It's a fast 18 megabyte download that installs a neighborhood copy from the Netflix software, then you can definitely start watching your movies. This small device can connect in your home network, either which has a wired or wireless connection. When the download is complete you can check that it's working by visiting You - Tube or Catch up TV with all the Dolphin browser.
