Hetzel added, 'The question becomes, and it'll be really interesting to observe, 'We've moved people far from [live] TV to video on demand. Why do you pay that money while you can see tv movies online all free. One last item to mention will probably be very important to some people and just a passing shown to others. One great reason to observe movies on the web is that, unlike a movie rental store, online movie services often provide a free trial run. The level of things it is possible to do on there is endless.
